

# Sorority and Fraternity Life Program Review Action Plan Summary

## Program Review Details

**Self-Study Standards:** Council for the Advancement of Standards (CAS) Fraternity and Sorority Programs Self-Assessment Guide (2019)

**Virtual Site Visit Dates:** Tuesday, March 4th – Thursday, March 6th, 2025

## Action Plan Objectives:

Based on the program review external committee recommendations and self-study findings, the following themes and action steps were created as strategic priorities for Sorority and Fraternity Life over the next five years.

### Chapter Recruitment

- Review the Sorority and Fraternity Life website to ensure it accurately reflects all councils and provides an inviting experience for new members.
- Partner with the Center for the Study of Student Life to utilize existing data to refine recruitment messaging for Sorority and Fraternity Life.

### New Member Processes

- Work with Council executive boards to update existing council-specific new member orientation to provide a more comprehensive and values-based introduction to Sorority and Fraternity Life.

### Chapter Advisor Support

- Create feedback opportunities for volunteers and advisors to contribute to the creation of educational opportunities and programs.

### Chapter Growth

- Explore effectiveness of new member education focusing on chapters with larger new member classes.

### Additional Council Exploration

- Evaluate the Sorority and Fraternity Life staffing model to explore support for an additional council.
